

User Manual

Preface

This manual is intended for new users with little or no experience of using the Nayatel JoyBox interface. The goal of this document is to give a broad overview of the main functions of JoyBox and some basic instructions on how to setup it. This document will concentrate on demonstrating interaction with JoyBox along with the TV/Remote interface. In order to guarantee your safety during operation and protect this player and its accessories, please read this operation manual carefully before using it.

Statements

We have made every possible effort to provide the most current information about the product. We do not guarantee that following information is up to date. We reserve the right to introduce amendments, changes or translations of the user manual without prior notification. For this reason, we recommend you to regularly visit our website in order to obtain the latest information.

Chapter 3 System Connection

Chapter 4 JoyBox Interface

4.1 Activation

Enter JoyBox "Activation code" sent by Nayatel on your registered email and mobile number and select "Register" button for one time activation of JoyBox.

4.2 Home Screen

Navigate through Home screen menu by using arrow keys and press OK in order to open desired section.

4.3 My apps

Apps screen shows bundled apps. Navigate with arrow keys and press OK key to open desired app. You can also download and install more supported apps from Google Play Store or Aptoide.

4.4 Live TV

Navigate with arrow keys to Live TV menu item on home screen and press "OK" key to open Live TV channels. Press "Left Arrow" key to open channel list bar.

4.5 Add/Remove channels into favorite list

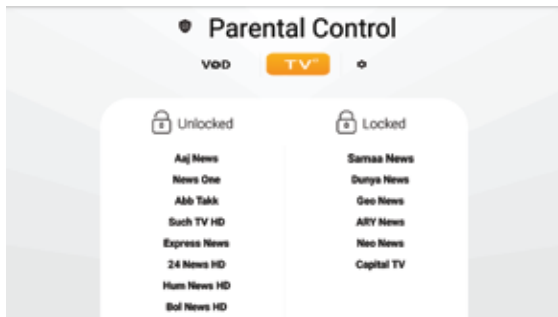

On channel name in the channel list bar, long press "OK" key to add or remove selected channel into favorites list.

4.6 Search Channel

Select the Q "search icon" on the top of channels list bar in LIVE section to search the channel by name. Use on screen keyboard for typing and press "OK" or Enter key on onscreen keyboard in order to search.

4.7 Parental Control (LIVE)

Navigate to  "Lock icon" on home screen and press "OK" to manage Parental Control. Setup "Parental Control" password which will be used to play locked channel. Manage locked/unlocked channels in Live tab.

While on Live section, enter password to play locked channel.

4.8 Timeshift

Timeshift option is available on some Live TV channels which can be used by pressing right arrow key while watching timeshift channel.  Icon along with channel number indicates timeshift channels.

4.9 VOD

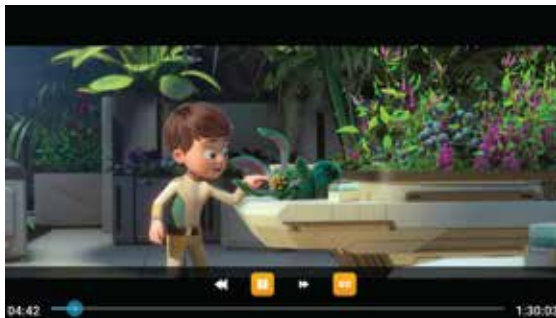

Navigate with arrow keys to "VOD" menu item on home screen and press "OK" key to open VOD library. Browse through categories and video titles using "arrow keys" and press "OK" key to open selected video.

4.10 Watch Video

The screenshot shows the VOD interface for the TV show "Gotham". At the top left is a large poster for "STUPID INMEXOL CRAZY STUPID LOVE". To its right, the show's title "Gotham" is displayed with an IMDb rating of 7.9/10. Below the title, it says "TV-14 | 42 min | 5 Seasons | 22 Sep 2014". The stars are listed as "Ben McKenzie, Donal Logue" and the directors as "N/A". The current season is "Season 3". The episode title is "Episode No. 02: Mad City: Burn the Witch". Below this, there are five smaller posters for other episodes, each with an IMDb rating. At the bottom, there are two buttons: "OVERVIEW" and "ADD TO FAVORITES".

Next screen show options to "Resume" video already watched, "Watch Movie" if you want to watch video from beginning or "Add to Favorites" to add selected video into VOD favorites list.

4.11 Playback Options

While playing video, you can use various playback options such as timeline control, Step forward, Step backward and enable/disable subtitles.

4.12 Search Video

The screenshot shows the VOD search interface. At the top, there is a search bar with the text "3 Blue Pearls, Green Tea". Below the search bar, there is a grid of 10 video thumbnails. Each thumbnail has an IMDb rating in the top left corner. The thumbnails are for the following titles: "BLOOD BOSS" (IMDb 1.9), "HANGOVER" (IMDb 7.2), "3" (IMDb 6.7), "money HUNTS" (IMDb 5.8), "REAR VIEW" (IMDb 6.3), "BLOOD BOSS" (IMDb 1.9), "HANGOVER" (IMDb 7.2), "3" (IMDb 6.7), "money HUNTS" (IMDb 5.8), and "REAR VIEW" (IMDb 6.3).

Navigate to "Search" icon on top of Categories list and press "OK" key to open search interface. Type video title and press "enter" to search from VOD library.

4.13 Parental Control (VOD category)

The screenshot shows the "Parental Control" settings screen. At the top, there is a "VOD" tab and a "TV" tab. Below the tabs, there are two toggle switches: "Unlocked" (which is currently turned on) and "Locked" (which is currently turned off). Below the switches, there is a list of content categories: Adventure, Comedy, Drama, Family, Action, Crime, Thriller, and Romance. Each category has a corresponding lock icon next to it.

Navigate to "Lock icon" on home screen and press "OK" to manage Parental Control. Setup "Parental Control" password which will be used to open locked VOD category. Manage locked/unlocked categories in VOD tab.

4.14 Unlock VOD Category

Locked category will prompt for "Parental Control Password" you defined in Parental Control Settings.

4.15 Application Update

Select the  "update" icon on the Home screen to update the application

Chapter 5. Settings

Navigate to Apps > Settings and press "OK" key to open Settings section. Settings will allow you to adjust System settings related to Device, Preferences, Remote & Accessories.

Navigate to Apps > Update&Backup and press "OK" key to open app. Move selection to "Backup" and press "OK" key to backup devices settings and data. Move selection to "Online update" and press OK key to check if online update is available. Follow onscreen instructions to update your firmware.
